

From your Rector

Trinity 7

I'm hoping that this week's letter finds you well? It was a great joy to be able to resume public worship last Sunday. For me, the joy of seeing people once again and leading you in worship, physically rather than just virtually, was really quite profound and moving.

We lit the Paschal (Easter) candle during a short piece of liturgy and we'll keep that candle lit during public worship in memory of those who have died or who have been affected during the current pandemic and those who continue to suffer.

As I've said in previous weekly letters, we'll continue with our online worship and the intention is to switch to livestreaming the Sunday morning service so that those of you who are not yet able to come to church will, at least, be able to watch it on your computer screens. We shall also continue to distribute the weekly mailing containing reading sheets, weekly newsletter etc.

With my love and prayers and good wishes for the coming week

Your friend and Rector

Matthew Tregenza
