

From your Rector

Easter Day

This time last year we were worshipping in our homes after public worship was suspended in the first lockdown and so it is a joy that we can worship together this Easter, if we wish to.

Many of us have had our vaccinations and the Prime Minister's roadmap outlines our path forward. Whilst we are not out of the woods yet, there is still a taste of resurrection around.

Without Easter we would never have realized that the Cross was not a defeat but a victory. Easter is God's mystery, full of surprises. We read in the Gospels how the disciples were always caught out by the Risen Christ. He turns up as gardener, traveller, cook. This Easter watch out for him in unexpected people and places. It is the eye of the imagination that so often reveals the Risen Life.

It is a joy and privilege to be your parish priest and please be assured that at Easter, of all seasons especially, you will all be very much in my thoughts and prayers.

We are an Easter people, and Alleluia is our song and that is truly something to give profound thanks for!

A happy and blessed Easter to you all!

With my love and prayers and good wishes
