

Credition Parish Church

ASSISTANT ORGANIST

We are seeking to appoint an energetic and creative Assistant Organist to **enhance and diversify our strong musical tradition** in our magnificent Major Parish Church. This presents **an exciting opportunity and challenge** to help all to connect with God musically in worship and outreach by:

- broadening and supporting the offering of high-quality traditional music in worship for both our choir and congregation
- helping to identify new ways to enable mission and ministry in the community through music including building and strengthening links with schools and the thriving local cultural scene.

The large SATB choir with trebles sings at the weekly Parish Eucharist and monthly Choral Evensong along with some cathedral visits. You will have the use of the 3 manual Harrison & Harrison organ rebuilt in 2001.

Remuneration £3,250 + fees
