## Join the Parish Church Choir

Whether you are an adult or have children in primary or secondary school, we are always keen to hear from people looking to explore the world of the church choir. You or your child do not need to have any previous singing experience, and we only ask that you showcase an enthusiastic approach to singing and learning. The skills you'll develop are used throughout your lives and the musical training received is first rate. Religious beliefs are also not a requirement, although children will be taught about Christian traditions and naturally encouraged to think about their own faith and spirituality. There is no audition or cost to join the choir, and junior choristers receive a modest scholarship termly for their skill and commitment.
